

Production Operative - Job Description

Job Title	Production Operative
Reporting to	Production Manager
Department	Manufacturing
Company	JP Concrete
Location	Henlade Factory
Hourly Rate	From £10.50 per hour (dependent on experience)
About Us	<p>We are a precast manufacturer who produces a variety of precast and prestressed products from our factories in Nottingham, Ripon and Henlade. Our core products are precast retaining walls, concrete barriers and blocks - however, we also manufacture bespoke items for our customers on request. We aim to provide a professional and cost-effective service to all of our clients and continue to monitor our impact on the environment as well as local and wider communities. We provide a safe and diverse working environment with a zero tolerance for discrimination.</p>
Summary of Job	<p>We are looking for a highly-motivated, energetic individual, with previous experience in the manufacturing industry, to work in a team manufacturing precast and prestressed concrete product.</p> <p>The ideal candidate will be one who works well under pressure and demonstrates high levels of attention to detail.</p>
